SUMMARY

Motivated and enthusiastic software engineering coach with over a year of experience in teaching and mentoring students to become successful software developers. Passionate about guiding students in their journey to learn programming and helping them realize their full potential. Skilled in various programming languages and frameworks including JavaScript, React, Node.js, and Java. I have completed Kenzie Academy's 9-month Full Stack Web Development program and hold an associate's degree in science. I have strong problem-solving skills with a passion for clean, efficient, and maintainable code.

EDUCATION

- **Full-Stack Web Development Certificate** - **Kenzie Academy** - Learned how to effectively use Javascript, HTML/CSS, React, Node.js, MongoDB, Bootstrap, Github, and VSCode.(Jan. 2022)
- **Associate's degree in science** - Graduating from **Mott Community College** with a GPA of 3.97(May 2023)
